[Announcer]: Democrat Jack Markell.

Delaware needs a change. George Bush's policies have been a disaster.

Other states have responded to create jobs and make healthcare more affordable. But, Delaware is lagging behind.

[Jack Markell]: "It's time for a new direction."

That's why I've put out a book with new ideas for Delaware.

I know we can do better. Check it out at www.Markell.org.
